

Lassiter Cheer Board Meeting November 6, 2014

Board members in attendance: Tamara McLean, Kristi Stevens, Cyndi Misner, Deanna Schaefer and Jenny Daugherty

- Co- President - Tamara McLean lead the meeting. The board addressed budget items:

The board voted to add money to the 2015-2016 cheer budget to cover some of senior breakfast costs. Coordinators should not have to pay for substantial part of the meal if they can't get enough volunteers.

The board also discussed buying a fog machine for approximately \$50 to be used for cheer related events.

Additional money will also be allocated to the cheer banquet to cover cheerleaders, as our cheer families have increased.

Covering the cost of a photographer for Varsity was discussed. Deanna to check on budget allotments to see if extra money is available.

- Senior Week went well. Mascots will only be included only if they pay dues and participate in fundraiser. Only event that had low attendance was the Sunday night kick off event at Cagle Dairy. It was also noted that 5 cheerleaders did not move their banners to the stadium.
- The upcoming Basketball season was discussed - parent meeting recently conducted and a squad t-shirt was ordered. Locker decorations were purchased and several decorating themes are slated throughout the season. Theme wear is still being decided for games.
- Communication - our website and twitter accounts have been kept up to date and are informative.
- Homecoming - discipline for cheerleaders not working on the float was discussed. Cheerleaders must participate in work sessions to be included in Homecoming events.
- Breast Cancer Awareness Month - purchasing pink pom poms was voted against. The board feels using the poms for just one event was not cost effective.
- Health concerns: Board members voted to put together a gift basket for Hailey Marcolina due to a long recovery after back surgery in December - volunteers to contribute items. Also a Meal Train was set to help the Marcolina Family after Paula's breast cancer surgery in January.
- Miss Odyssey date has moved to February. Coach Beal will be sending informative email out soon.
